

Job Description

Job title: Mobile Apps Developer
Reporting to: Head of Technology
Location: Kelana Jaya, Selangor.

Founded in 2015, Carsome is Malaysia's first online automotive portal that connects car buyers and sellers to new and used car dealers respectively, providing them a platform to trade seamlessly. For car selling, Carsome empowers sellers to sell their cars in less than 24h with full transparency and no paperwork hassle, and ensures dealers a constant first-class supply of thoroughly inspected cars. For car buying, Carsome guarantees buyers the best offers in town by providing up to 5 upfront offers, and dealers a cost-effective channel to genuine leads.
